Faster, More Accurate Counting

Automatically reads mixed stack of bills as it passes to count and sort based on denomination in no time!

Automatically Sorts Mixed Bills

Never stop counting or sorting for a suspect bill, incorrect denomination or face. Those bills are sorted out into the reject pocket.

Protects Against Counterfeits

2 CIS, ultraviolet, infrared, and magnetic detection systems ensure bills are authentic—far more accurately than any pen or light!

Easy for Anyone to Use

Easy-to-use interface, large LCD display, on-screen report and built-in printer to simplify this advanced cash counting system and save time.
