Discrete and Secure

Drastically improve security of your business with the piece of mind your cash is safe.

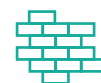

Just a Pull of the Lever

Cash drops easily into the safe with the pull of the lever. Innovative spring-loaded receiver avoids jams for quick retrieval at the end of the day.

Under Counter Mount

Included bracket installs easily under the counter. Safe slides smoothly into the shelf bracket before being securely locked in place.

Durable

No weak plastic parts. The steel design of the drop safe ensures your money is well protected.
