#### Front-Loading Hopper

Quickly, accurately, and continuously count up to 1,250 bills per minute thanks to the front-loading hopper.

#### Protects Against Counterfeits

Utilizes ultraviolet, magnetic, and infrared detection systems to accurately identify counterfeits—far more accurately than any pen or light!

#### Purchase with Confidence

This Kolibri Knight is backed by a one-year warranty.

#### Easy for Anyone to Use

Intuitive control panel and large LCD Screen allows for easy navigation and legibility through the system's interface.
