Level 4 Security

The Kolibri Deposit Bags are built with Level 4 Security measures, the top security for any deposit bag making it extremely hard to tamper or open once sealed off.

Easy Tracking

Each bag has two barcodes and a peel off receipt with alphanumeric numbering which allows the user the ability to track their own deposit bags.

Durable

With 0.07" thickness and optimal poly material, the bank deposit bags are strong enough to withstand the roughest situations.

Easy for Anyone to Use

Easy to follow instructions are printed on the top of each bag allowing any person to have a simple and clear experience on how to use each bag.
